## **LITIGATION UPDATE**

**Kelowna, B.C.:** Diamcor Mining Inc. (“Diamcor” or the “Company”) announces that it expects its lawsuit relating to control over So Ver Mining (Pty) Limited and the So Ver tailings recovery operations to be set for trial shortly. Based on estimates provided by South African legal counsel, Diamcor anticipates that the matter will be heard prior to the end of the year.

As part of his response to Diamcor’s claims, one of the defendants in the action, Mr. Nicolaas Van der Merwe, has recently commenced a legal action in British Columbia against the Company for defamation, abuse of process and breach of contract. Diamcor’s position is that Mr. Van der Merwe’s claims have no basis. In addition, the Company contends that British Columbia is not a proper jurisdiction for the case, as the matters relate to the South African dispute. Diamcor intends to proceed with an application to have the claims dismissed.
